## Westside Team Penning Club Sponsorship Opportunity

Thank you for your interest in sponsoring Westside Team Penning Club (WTPC). Cattle Sorting and Team Penning are team events involving riders, horses, a time-clock, and you guessed it...cattle! This sport is rapidly growing in popularity throughout the Pacific Northwest. Our club has grown to one of the largest in the region with approximately 250 members. It is a family sport with entire families participating, from grandparents to grandchildren!

WTPC holds 7 two-day sorting and penning events, once a month, between April and October, and one single-day event to start the season in March. Each event is held at Stewart's Arena in Yelm and draws competitors from the entire Northwest, including WA, OR, ID, and Canada.

Membership fees and entry fees only cover a portion of the club's expenses. Your sponsorship will help to fund arena fees, cow rental, and of course, prizes like buckles and end of year awards. We always encourage our participants to support our sponsors. We look forward to partnering with you in support of good times & good friends!
